## When Love Comes Calling

Matt had a different plan, but just couldn't wait. While having lunch at his place with his soon-to-be fiancé, he snuck around to his own front door and rang the doorbell. Imagine her surprise when she was greeted by Matt, down on one knee with ring box in hand. It's a memory they recall with a smile every time the doorbell rings.

## Nothing Better Than Growing Old With You

My husband is a 173rd Paratrooper. One day he took me to the beach still wearing his uniform and we walked together along the beach holding hands then he stopped walking. He gave me an anniversary card that said "I can't think of anything better than to grow old with you." I looked up confused then he took a knee. Some people further down the beach saw it. He is a wounded veteran and when I said yes, he put the ring on then picked me up for the first time. The sun was even setting so the sky was pink and blue. Like a fairy tale.

## Forever in Love

My husband, proposed on bended knee, in a jewelry store on Valentine's Day. I was totally stunned because I had given up on marriage to him because he didn't seem to want to make a commitment, but I guess he was just biding his time. Of course, I said yes and we had 16 happy years together.

## Marvelously Romantic

We went to dinner at our favorite restaurant to celebrate our 24th anniversary. After a wonderful meal, we decided to have coffee. When the waiter brought the sugar bowl to our table he placed it in front of me. To my complete surprise, right there on top of the sugar was the most gorgeous diamond ring I have ever seen. It was like getting engaged all over again! I still have my original ring which represents our first 24 years which I wear on my right hand. On my left, I have a new ring for our next 24 years!
